

# 3 Tips For Navigating Payroll Record-Keeping Requirements

March 08, 2021

Labor and Employment Chair **Mag Bickford** (New Orleans) was quoted in a Law360 story detailing a Fifth Circuit ruling that highlighted the importance of maintaining payroll records under the Fair Labor Standards Act.

*The biggest takeaway from the Fifth Circuit ruling is that employers and supervisors should stay on top of time records and quickly address incomplete or inaccurate information, [Bickford] said.*

*“The Five Star case ... basically reminds us that we can’t put our head in a bushel and pretend we don’t see things,” Bickford said. “We have a duty to go look to verify attendance and to make sure it’s being properly compensated.”*
