

# Podcast: A Leadership Perspective on Firm Diversity and Inclusion Efforts

October 09, 2020

*Diverse people have different mindsets and thought processes and bring different talents to solve a problem. And we're in the business of solving problems for our clients.*

Diversity and inclusion have been trending topics in the legal world for many years. The recent focus on social justice has cast a spotlight on those efforts. In this episode, McGlinchey's Managing Member **Rodolfo (Rudy) Aguilar** joins **Deirdre McGlinchey**, chair of the firm's Diversity Committee, to discuss the steps McGlinchey leadership has taken to engender a more equitable environment within the firm and throughout the legal community.
