

# Aaron Kouhought of McGlinchey Stafford on 5 Things You Need to Be A Highly Effective C-Level Leader of a FinTech Company

February 15, 2024

Member and Chief Privacy Officer **Aaron Kouhought** (Cleveland) was interviewed by *Medium* on “5 Things You Need to Be a Highly Effective C-Level Leader of a Fintech Company.” Drawing from his nearly two decades of industry experience, Aaron offered five philosophies that FinTech leaders can use to set themselves and their teams up for success.

*Flexibility is key for FinTech leaders, and not only in the obvious ways. In legal compliance, it's essential to be prepared to course correct, sometimes within hours, due to shifts in the regulatory landscape or the evolving nature of financial products. FinTech teams, including those who are building the technology, are continually pushing the envelope, often leading to a rapid evolution of ideas and proposals. This requires attorneys advising in this field to be highly adaptable, not just in reacting to external factors like competition and regulatory changes, but also in managing the creativity and innovation inherent within our team.*
