

Auto Repossessions Avalanche is Coming. Are You Ready?

August 12, 2020

As states are lifting the repossessions moratoria, lenders are faced with many concerns and pitfalls: from adhering to state-driven policies and procedures of handling auto repossessions to COVID-specific challenges. Lenders must proactively prepare to handle the avalanche of vehicle repossessions today.

Member **Mark Edelman** (Cleveland) will join Wolters Kluwer Lien Solutions on August 19, 2020 for a panel webinar to discuss the vehicle repossessions avalanche and the pitfall of repossession titling in the times of COVID-19.
