**Bring Your Own Policy (BYOP) Breakfast**

**RESCHEDULED**

Thursday, July 13, 2017

- Does your policy undermine your employees' at-will status?
- Does your policy make it easier for employees to steal confidential business information?
- Do your handbook policies expose your company to unfair labor practice charges?

Get answers to these questions and more at McGlinchey Stafford's BYOP Breakfast on Thursday, July 13. Bring your handbook or specific policies and our team of employment lawyers will help identify issues and discuss your most pressing employment law concerns.

Our team of **Mag Bickford**, **Susanne Veters**, **Kathy Conklin**, **Steve Beiser**, **Camille Bryant**, and **Amanda Stout** will be present to help determine whether your policies are up-to-date. As a bonus, you'll have the opportunity to network with other human resources professionals.

Complimentary continental breakfast will be served.
