

Cannabis Net Lease Offers Potentially High Risk to Landlords

April 24, 2024

Of Counsel **David Waxman** (Cleveland) was interviewed by ALM's GlobeSt.com in "Cannabis Net Lease Offers Potentially High Risk to Landlords." He discussed landlords renting to cannabis businesses.

First, know whether you can lease the space to that type of business. "Where it starts is state law," David Waxman, of counsel at McGlinchey Stafford, tells GlobeSt.com. "Typically, in a statute or regulations, there are a certain number of dispensaries to be had in one area."
