

# Complex Issues in Foreclosure

October 25, 2023

Member **Jim Sandy** (Cleveland) will co-present “Complex Issues in Foreclosure,” a National Business Institute (NBI) webinar on Thursday, October 26, 2023.

Jim and his co-panelists will walk attendees through some of the most complex topics and issues in foreclosure, along with the latest trends and developments, such as loss mitigation solutions, tax consequences, complicated priority disputes and other lien issues, key lender liability issues, and more.
