

# Compliance in a Digital-First Era

March 09, 2021

**Kelly Lipinski** (Cleveland) joined a panel of distinguished speakers to discuss compliance in a digital-first era during the [2021 Auto Finance Innovation Summit](#) on Wednesday, March 17, 2021.

The panel focused on identifying risks in e-sign, e-contracting, and remote notarization; keeping up with state regulations; and compliant digital product development.
