

# E-Signature, E-Contract, and Remote Notarization: Regulatory Developments and Recent Enforceability Decisions

August 01, 2022

**Aaron Kouhought** (Cleveland) will co-present a Stafford CLE webinar on Thursday, August 4, 2022, to review the most recent state and federal updates regarding the use of e-signatures, e-contracts, and remote notarization. The panel will discuss the expansion of e-contracts in previously restricted industries and recent decisions about the enforceability of e-contracts in general and particular provisions, including mandatory arbitration clauses.
