

Edelman to Speak at 2022 Auto Finance Risk Summit

April 18, 2022

Cleveland Member and Chair of McGlinchey's national Consumer Financial Services Compliance team **Mark Edelman** will participate in two panels during the upcoming Auto Finance Risk Summit in San Diego, California.

On Tuesday, April 26, Mark will be a panelist in a session on state and federal compliance amid shifting regulatory focus. The panel will discuss CFPB hot button issues, including repossessions, fees, and subprime lending; managing state-to-state privacy regulations surrounding data use and data protection under the safeguards rule; and tips for preparing for an uptick in state and federal examinations.

Later that afternoon, Mark will serve as a Roundtable Leader during a small-group break-out session on synthesizing operational excellence with regulatory compliance; he will lead the discussion on debt collection and recovery.

The Auto Finance Risk Summit, presented by *Auto Finance News*, is a central resource for education and networking focused on best practices in risk management and the dynamics of the evolving auto finance market.
