

Electronic Contracting in Banking: Going Paperless

November 15, 2017

Louisiana Bankers Association (LBA) Webinar **Robert Savoie** (New Orleans) will co-present “Electronic Contracting in Banking: Going Paperless” during a Louisiana Bankers Association webinar on November 15. The presentation will walk through the electronic contracting requirements and highlight how the failure to observe these requirements can impact the validity of loan originations, recordkeeping obligations, and the ability to enforce security interests in collateral.
