About Top Rated Lawyers

In early 2013, ALM teamed with Martindale-Hubbell to leverage data enabling ALM publications *Corporate Counsel*, *The American Lawyer* and the *National Law Journal* to publish special reports of top rated lawyers and law firms in more than two dozen U.S. markets. The awards are determined by compiling information gathered on lawyers who have achieved the AV Preeminent® Peer Review Rated by Martindale-Hubbell®—Martindale’s highest Peer Review rating available. Martindale’s Peer Review ratings are based on five key areas: legal knowledge, analytical capabilities, judgment, communication ability, and legal experience.
