

# Empowering Women: Navigating the Path to Capital

April 08, 2024

Member **Heidi Urness** (Seattle) will join a panel presentation, “Empowering Women: Navigating the Path to Capital,” at MJ Unpacked in Atlantic City on April 10, 2024. This panel will offer an insightful discussion aimed at empowering women in navigating the complex landscape of raising capital. In this session, they will delve into the unique challenges women entrepreneurs and business leaders face in accessing capital and explore effective strategies for overcoming these barriers.
