

LGBTQ Attys And Staff Talk Inclusivity In Mid-Law

June 24, 2022

Andrew Albritton (New Orleans) was interviewed by *Law360 Pulse* on June 23, 2022, about inclusivity in the legal field, [McGlinchey's LGBTQ+ Resource Group](#), and his advice to law students.

"I knew [from that] that this was a firm that was open and accepting and encouraged people from all different backgrounds to be themselves," he said. "I know that's not the case everywhere."

"When starting the job search, I think maybe I underestimated how important it is to find a firm that you feel affirmed and welcomed at," Albritton said. "Once you start a career, you spend so much of your time at work, and it's so important that you are able to feel comfortable and accepted — and not just accepted, but valued."

Andrew is the Chair of McGlinchey's newly launched LGBTQ+ Resource Group, McGlinchey Pride. Click [here](#) to read the full article (subscription required).
