

Litigation Strategies for FinTechs: Where Do We Stand?

February 17, 2023

Please join McGlinchey for a private, client-only discussion of handling FinTech litigation. The Chair of McGlinchey's FinTech practice, **Robert Savoie**, will interview **Megan Ben'Ary** and **Joe Apatov**, two partners who handle individual and class action litigation matters for FinTechs nationwide, along with partner **Aaron Kouhought**, who advises FinTechs on compliance and the development of processes to address litigation concerns. The discussion will focus on many key points, followed by a Q&A. The primary topics that will be covered include:

- Considerations for in-house attorneys before involving outside counsel
- Handling identity theft claims, particularly frivolous or specious claims
- Common discovery issues due to the use of proprietary technology platforms
- Handling document holds in litigation
- When litigation-specific solutions impact broader regulatory compliance
- Software tools to track litigation, as companies (and litigation volume) grow
- How effective compliance management programs can be in preventing litigation
