

# Litigator Lauren Baudot Joins McGlinchey in New Orleans

May 04, 2023

McGlinchey Stafford is pleased to announce that **Lauren Baudot** has joined the firm's Enterprise Litigation and Investigations Group as Of Counsel in the New Orleans office. Lauren focuses her practice on representing the insurance and transportation industries in litigation.

"I am very pleased to welcome Lauren to our New Orleans office," said **Mag Bickford**, Managing Member of the firm's New Orleans office and Chair of the firm's Labor and Employment practice group. "Her extensive experience in state and federal courts throughout Louisiana complements the service offerings we provide locally to clients nationwide." Lauren is the twelfth attorney McGlinchey has hired in New Orleans in the past year.

In representing insurance clients, Lauren's solid first-party property knowledge and experience, particularly in the areas of hurricane and flood defense, set her apart from others in the field. She is adept at managing the robust docket of insurance defense matters that frequently follow large natural disasters, sometimes working more than 150 cases at a given time.

"Lauren's deep knowledge of the insurance and transportation industries makes her a valuable asset to our team as we continue to provide excellent legal solutions to clients in litigation," said **Dan Plunkett**, Chair of the firm's Enterprise Litigation and Investigations Group, which has brought on 12 new attorneys since June 2022.

Lauren represents large regional transportation companies in issues ranging from trucking and freight transportation to parking and shuttle services. She has jury trial experience, manages appellate and class action cases, and provides consulting and advisory services to the transportation industry.

Lauren received her J.D. from Loyola University New Orleans, College of Law, and is licensed to practice in Louisiana. She also received two bachelor's degrees, one in English Literature and the other in Philosophy with an emphasis on pre-law, from Loyola University New Orleans.
