

March Young Professional Spotlight

March 15, 2021

Zelma Murray Frederick (Baton Rouge) was featured by the Baton Rouge Area Chamber in their March Young Professional Spotlight. Whether straight out of college or looking to establish their own business, more and more young professionals are choosing to lay their roots in Baton Rouge, and each month, BRAC highlights one of these young Baton Rouge Area movers and shakers.

"It seems my contemporaries, and those younger than me, are excited about engaging in new things that come to Baton Rouge, giving of their time to ensure that they help shape our community, and actively working to create opportunities for businesses and other professionals."
