McGlinchey News Release

McGlinchey Stafford has risen five spots in the inaugural edition of the NLJ 500, previously known as the NLJ 350, a list of the nation's largest 500 law firms published by the *National Law Journal*. With 191 attorneys in 13 offices at the time of the survey, McGlinchey Stafford ranks 209th on the list, representing growth of 2% over the firm's 2015 NLJ 350 survey headcount.

To compile its list, the *National Law Journal* surveyed more than 500 firms for lawyer totals based on the average number of full-time equivalent attorneys for the 2015 calendar year. Survey headcounts do not include firms' contract or temporary attorneys. Firms included in the list must have more lawyers based in the United States than in any other single country to be included.
