Considered the industry leader in research-based directories for the legal profession, *Chambers USA* conducts in-depth, objective interviews of thousands of lawyers and their clients around the world to compile its directories. The publication's rankings are based on interviews with those active in the legal services marketplace, namely law firm clients and individual lawyers, as well as assessments of a law firm's recent work on behalf of its clients. Rankings are determined by evaluating qualities clients most value in lawyers and law firms, including technical legal ability, professional conduct, client service, commercial astuteness, diligence, and commitment, among others.
