

New Year Continues Challenging Regulatory Environment

February 28, 2021

Last year was another busy year for manufactured housing, with the industry witnessing several updates that have reshaped — and continue to reshape — the industry regulatory landscape. **Jeffrey Barringer** (Albany) and **Devin Leary-Hanebrink** (Washington, DC) authored a column in the January/February 2021 issue of *MH Insider* on the latest federal and state regulatory changes.
