

Nuts and Bolts: Discovery

June 15, 2022

Discovery is an important tool for any lawyer to have. Understanding not only the basics, but the nuances of this process can help to strengthen cases and lead to better outcomes for clients.

Robert “Bob” Driscoll (Washington, DC) will join a panel discussion on “Nuts and Bolts: Discovery” at The Heritage Foundation’s Intermediate Legal Strategy Forum in Washington, DC on July 13, 2022. The panel will share their own experiences with discovery while breaking down topics like brief and cert petition writing, discovery, depositions, and op-eds.

This is the first annual Intermediate Legal Strategy Forum. The conference brings together attorneys from public interest litigation groups and legal organizations to advance their legal skills. [Learn more](#).
