

Online Lending and E-Commerce 2.0

September 15, 2017

ABA Business Law Section Annual Meeting

Chicago, IL **Robert Savoie** (New Orleans) will co-present “Online Lending and E-Commerce 2.0” at the ABA Business Law Section Annual Meeting on September 15 in Chicago, IL. Online lending platforms have been driving continued growth in E-Commerce over the past few years. Yet, brick and mortar retail remains the dominant shopping channel. The presentation will cover how online lending may help retail bridge the gap between online and “offline” shopping, and what the legal and regulatory challenges are to such a framework.
