

Regulatory Pulse: Exploring Consumer Finance Updates and Trends

January 09, 2024

In the dynamic landscape of today's fast-paced financial world, staying ahead of the curve is not just an advantage; it's an imperative. Consumer finance, a realm where litigation and regulations are continually evolving, holds a pivotal role in shaping how individuals and businesses manage their finances. It's a landscape where the rules are rewritten, and the game is constantly changing.

Member **Jim Sandy** and Associate **Paul Lysobey** will co-present "Regulatory Pulse: Exploring Consumer Finance Updates and Trends," a Knowledge Webcasts webinar on January 25, 2024. They will delve deep into the ever-changing landscape of consumer finance regulations and litigation trends.
