

# SCOTUS Superfund Ruling Could Spawn New State Law Claims

April 21, 2020

Environmental attorney **Michael Blumenthal** (Cleveland) was quoted in a Bloomberg Law article on the Supreme Court's April 20 opinion on a dispute between landowners and Atlantic Richfield Co. at a Montana Superfund site.

"Site-based cleanup steering committees, made up of multiple PRPs, need to prepare for lawsuits from nearby property owners," said Michael. "There are a lot of plaintiffs' lawyers that are going to try to open this door."
