

SCRA and Military Lending Issues

February 10, 2016

ABA Business Law Section Consumer Financial Services Committee

Webinar This program focused on recent Servicemembers Civil Relief Act (“SCRA”) enforcement trends and the requirements imposed under the final rule dramatically expanding the scope of the Military Lending Act (“MLA”). Creditors and servicers of all types are impacted by one or both of these laws and would be well served to keep track of the recent enforcement actions under the SCRA and ensure that they are ready for the upcoming compliance deadline applicable to the new MLA requirements.
