

State Law Regulatory and Enforcement Trends

September 02, 2021

Member **Jeffrey Barringer** (Albany) will participate in a breakout session on recent developments and key emerging trends in state enforcement and law on Monday, September 13, 2021, during the [MBA's Regulatory Compliance Conference](#) in Washington, DC.

The panel will discuss key state enforcement actions and supervisory practices and provide thoughts on whether institutions can expect to see similar practices in other states.
