

# The CFPB and Higher Education: Politics, Policy, and Law

August 01, 2016

Coalition of Higher Education Assistance Organizations (COHEAO) Mid-Year Conference

Denver, CO Now up and running for more than five years, the CFPB has proven to be a force within financial services and particularly student loans. **Kelly Lipinski**, Member, will participate in a session that will review the politics and policies surrounding the Bureau while also offering legal insights on proposed rules, enforcement actions, and other guidance.
