

The Fisher Memorial Program: Developing Changes in Forgiveness of Student Loan Debt

April 13, 2021

The burden of student loan debt is acute on many borrowers, particularly minority graduates. **Kelly Lipinski** (Cleveland) will participate in a panel discussion on developing changes in the forgiveness of student loan debt during the [ABA Business Law Section Virtual Spring Meeting](#) on April 21, 2021, in conjunction with the Conference on Consumer Finance Law. The panel will address actions to accomplish debt forgiveness and responses to delinquencies during the COVID-19 pandemic, focusing on potential legislation or executive action to forgive existing debt.
