

# Tips for Successfully Engaging Your State Regulator

April 17, 2023

Want to learn about the best strategies for policy engagement with regulatory staff and the basics of regulatory policy-making in the states?

Member **Amy Greenwood-Field** (Washington, DC) will present on a General Session panel on “Tips for Successfully Engaging Your State Regulator” at the Mortgage Bankers Association’s (MBA) State and Local Workshop on April 18, 2023, in Washington, DC. This session will feature former state regulators and current state association leaders in a dynamic discussion of how to best represent your members before your state’s mortgage supervisory body. Amy brings 15 years of state regulatory experience to the discussion.
