

Use of Alternative Data for Credit Reporting and Increasing State Regulation of Credit Use of Alternative Data for Credit Underwriting

June 16, 2017

Student Loan Servicing Association

Private Loan Committee Meeting Member **Kelly Lipinski** (Cleveland) will give a presentation titled “Use of Alternative Data for Credit Reporting and Increasing State Regulation of Credit Use of Alternative Data for Credit Underwriting” at the Student Loan Servicing Association’s Private Loan Committee Meeting on June 16. The session will look at the increasing interest in the use of alternative data for consumers with no credit history or thin credit files. In addition, Kelly will discuss the growing state regulation of credit reporting issues.
