

What's Most Exciting About the New Pot Banking Bill

October 20, 2023

Member **Heidi Urness** (Seattle) was quoted in *The Financial Brand's* October 19, 2023 article on the latest piece of Congressional legislation related to financing cannabis.

Things could go either way, says Heidi Urness, co-chair of the cannabis practice group for the law firm McGlinchey Stafford in Seattle. "I think there's excitement over some actual bipartisan movement," she says. "We've also seen some real pushback."
