

Drafted detailed 75-page report authorizing suit to recover more than \$7 million in damages from president of private real estate company on behalf of special committee of company's board of directors.

April 07, 2015

Drafted a detailed 75-page report authorizing suit to recover more than \$7 million in damages from the president of a private real estate company on behalf of a special committee of the company's board of directors. Investigated a shareholder complaint of excessive compensation of management, self-dealing, and breach of fiduciary duty.
