JR Regnier works directly with attorneys in our consumer financial services regulatory compliance team to manage multistate licensing projects, including license renewals and annual reports.

In this role, JR supervises other licensing team members working to obtain and maintain consumer finance-related licenses. He interfaces with clients to coordinate license applications. When a licensing project request comes in, he assigns duties to team members, reviews documentation, supervises deadlines, and provides regular updates on project status.

With over 15 years of banking experience in licensing and compliance, JR is familiar with clients' needs. His detail-orientated approach positions him to meet and exceed client expectations.

**\* Disclaimer:** JR is not licensed for or admitted to the practice of law.
