Tangina Maloof works directly with attorneys in our consumer financial services regulatory compliance team to manage multistate licensing projects, including license renewals and annual reports.

In this role, Tangina supervises other licensing team members working to obtain and maintain consumer finance-related licenses. She interfaces with clients to coordinate license applications. When a licensing project request comes in, she assigns duties to team members, reviews documentation, supervises deadlines, and provides regular updates on project status.

**\* Disclaimer:** Tangina is not licensed for or admitted to the practice of law.
