15 SUBPART F. NONRESIDENT INDIVIDUALS

16 AND CORPORATIONS

17 §241. Net income subject to tax

18 The net income of a nonresident individual or a corporation subject to the tax  
19 imposed by this Chapter shall be the sum of the net allocable income earned within or  
20 derived from sources within this state, as defined in R.S. 47:243, and the net

21 apportionable income derived from sources in this state, as defined in R.S. 47:244, less  
22 the amount of federal income taxes attributable to the net allocable income and net  
23 apportionable income derived from sources in this state. The amount of federal income  
24 taxes to be so deducted shall be that portion of the total federal income tax which is  
25 levied with respect to the particular income derived from sources in this state to be  
26 computed in accordance with rules and regulations of the collector secretary of revenue.  
27 Proper adjustment shall be made for the actual tax rates applying to different classes of  
28 income and for all differences in the computation of net income for purposes of federal  
29 income taxation as compared to the computation of net income under this Chapter.

30 Where the allocation of the tax is to be based on a ratio of the amount of net income of a

1 particular class, both the numerator and the denominator of the fraction used in  
2 determining the ratio shall be computed on the basis that such net income is determined  
3 for federal income tax purposes.
